

PROFILE

BRUCE KILLAH

Let me introduce myself. My name is Bruce Killah and I have been your representative for the past 15 years, elected to the position as board member for the townships without municipal organization called TWOMO. In this position I have been representing the constituents of unorganized townships.

As a member of the board, I have learned all the different aspects and what has to be done to continue to have a strong functional board. I have served on the Human Resources Committee and the Finance Committee, Program Committee, Housing and Building Committee always keeping in mind our entire DSB's regional area.

I have been residing in Estaire, which is part of Sudbury East for the last 18 years which gives me the opportunity to have a hands on approach to what has to be done and what is important to the unorganized Townships along with that of the neighbouring organized municipalities

I worked as an electrician at INCO for 33 years retiring as a front line supervisor. My strong leadership qualities have given me experience in managing, directing and supervising a work force. In that position, I developed a budget and maintained overhead costs in accordance with the set budget. Implemented and instructed safety and health courses including WHIMS, and supervised the maintenance of a fleet of vehicles.

After retirement I became a professional driver, which I still do today for Life Labs (medical laboratory services).

I have held various board positions in many organizations such as Northern Ontario Hockey Executive (NOHA), Sudbury & District Hockey Officials Association (SDHOA), Sudbury Minor Hockey Association (SMHA), Northern Ontario Football Association, Leader of a Beaver pack, Scout Leader, Coach of a girls baseball team, Hockey Coach, Hockey Official, and Sunday School Teacher always enjoying each and every task presented to me and always working towards building a strong community.

I have enjoyed my position with TWOMO for the last 15 years and look forward to your support for the next 4 year term and beyond. Thank you.
