Dave Santi

I have recently retired as a health and safety consultant for the past 31 years covering Northern Ontario for the Provincial Government. I enjoy the outdoors and have been a volunteer for the past 15 years with Walden Snorunners. I grew up in the French River area where my family owned a small tourist camp. I now own my own small camp in the Sultan/Chapleau area where I spend time fishing and hunting with my wife and 2 adult boys.
